Improving on perfection is easier than it sounds.

The new and improved Xerox® DocuMate® 152i may look like its award-winning predecessor, but this small scanner has been overhauled with new features. A complete small-office document management solution, the DocuMate 152i is 40% faster and includes robust PC and Mac TWAIN drivers and software.

The Xerox® DocuMate® 152i, color sheetfed document scanner, now scans up to 50 images per minute (ipm) in duplex mode, includes a 50-page automatic document feeder and has the ability to automatically scan documents into searchable PDF files. The scanner also offers a more powerful suite of bundled software designed to help you organize and find the information important to you.
Designed To Do More

It's easy to say that "you want to do more with the paper on your desk." The hard part is finding the right tool to help you achieve that goal. Well-known for quick and easy scanning setup and operation, the Xerox® DocuMate® 152i is designed for small businesses, home offices and students who are looking for an easy-to-use scanner that includes all the tools needed to declutter their paper filled lives.

Powered by Visioneer OneTouch® technology, the scanner allows users to scan to the "destination" of their choice by pressing a single button, eliminating multiple steps usually required to save scanned documents in popular file formats. Visioneer OneTouch allows you to scan documents to your choice of 9 preset yet completely user configurable destinations. This enables your documents to be scanned with the correct settings for resolution, color, cropping, file format and then delivered to virtually any application, folder or device – all at the touch of a button.

The DocuMate 152i produces clear and sharp scans of any document, in color or black and white. Worried that your highlighted notes from the meeting won't scan clearly? What about the receipt that was folded in your pocket? Real world documents are never a problem for the DocuMate 152i. Visioneer Acuity technology enables the scanner to instantly improve the visual clarity of every scanned image. You get perfect scans from imperfect originals.

Xerox® DocuMate® 152i Scanner Software Solutions

Visioneer® OneTouch

Visioneer OneTouch® is an easy-to-use utility that connects the DocuMate 152i scanner with a powerful set of scanner settings to greatly improve the efficiency of your workflow— so that with one touch, the document is scanned automatically to email, Microsoft® Word, your printer, or simply a file folder. In addition to scanning directly to all popular destinations, Visioneer OneTouch also links the DocuMate 152i with industry-leading document management software, such as Xerox® DocuShare® or Microsoft SharePoint®—forming an easy-to-use workflow from paper to a selected destination. A Software Development Kit (SDK) is also available which provides the ability to develop specific links and integrate them into the Visioneer OneTouch control panel quickly and easily.

Acuity

Visioneer Acuity enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and dynamic thresholding Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

Nuance®

OmniPage® Ultimate

OmniPage Ultimate edition provides a precise OCR and layout retention solution, quickly turning scanned documents into editable, formatted text. The text can then be used in virtually any word processing, desktop publishing or web publishing program.
